Product highlights

MAX Sound
MAX Sound technology produces an instant boost in bass, maximizing volume performance and instantly creating the most impressive listening experience with just the touch of a button. Its sophisticated electronic circuitry calibrates existing sound and volume settings, instantly boosting bass and volume to maximum levels without distortion. The end result is a noticeable amplifying of both sound spectrum and volume and a potent audio boost that will add mileage to any music.

Compatible with WMA and MP3 CD

MP3 link for portable music
MP3 link allows direct playback of MP3 files from your portable media player on your audio system. Simply connect your portable media player to the built-in MP3 link jack on an audio system and enjoy your MP3 music in superior sound quality.
